

PROVIDENCE HEALTH CARE

NEW NURSING GRADUATE EDUCATION WORKSHOPS 2021

NEW GRAD ORIENTATION

A great opportunity to ask questions, learn about the New Grad Program, meet the Nurse Educator and other New Grads. Useful tips are provided to help you integrate into your new role.

Other topics include:

- Competencies required of New Grads
- Preparing for unit-based orientation
- Preparing for guided buddy shifts
- New Grad workshop series
- Resources... and *more*

NURSING SKILLS LAB MONTHLY DROP-IN SESSIONS

Need more hands-on practice on a skill or want to get tips on refining a specific skill? Drop by the Nursing Skills Lab. Nurse educators are available to answer your questions and provide tips and tricks.

The Nursing Skills Lab is open on the 3rd Tuesday of the month from 1330-1530h.

The Nursing Skills Lab is open on the 3rd Tuesday of the month from 1330-1530h. Room 3205.

SUSPENDED UNTIL SEPTEMBER 2021
 This time will be used to provide on-unit support for New Grads

3 MONTH SEMINAR (10702)

The first three months of your nursing career is often a difficult time as you transition from student to qualified nurse. The 3 Month Seminar provides you with an opportunity to connect with other New Graduate Nurses and the program Educator, in a safe environment.

You can share and discuss/debrief positive and negative experiences that have had an impact on you. Sharing your experiences with other new grads will help each other to realize that you are not alone on this amazing journey.

You will develop an understanding of the stage that you are at and how you have a right to be there. This can help to change your focus, develop your professional learning goals and to see the future.

This seminar does not replace any of the 3 month check-ins with your unit Educator.

DISCONTINUED
Content merged with “Responding to Emergencies & Mock Code Blue” workshop

HOW TO REGISTER:

1. Register on the Learning Hub. If the workshop is scheduled on your day off, you do not need to obtain approval from your PCM. Your time is compensated.
2. The first time you register online, you will need to create an account as a PHC Employee, a user ID and password. Be prepared with your employee number and a valid email address. Any previous accounts (i.e. student account) will not work as they do not have permissions to register for these workshops.
3. Go to <http://learninghub@phsa.ca> to register online.
4. If you need to cancel your registration or reschedule, please go to Learning Hub.

RESPONDING TO EMERGENCIES & MOCK CODE BLUE (9599)

This workshop examines how to respond to common emergency situations & “Code Blue” in the acute care setting. Discussion around abnormal lab values will be integrated into the mock Code Blue case study.
