

# Patient and Family Partners in Research

If you are a Patient Family Partner, anywhere in Canada, who has been involved as an advisor, a team member, or a member of a team determining research priorities we would like to learn from your experience.

Please join us:

- for a focus group or interview in Vancouver
- via phone or webinar from anywhere in Canada

All participants will be given a \$20 gift card. If you are interested, please email Wilma Chang by May 31, 2016: [wchang@providencehealth.bc.ca](mailto:wchang@providencehealth.bc.ca)

**Principal Investigator:** Agnes Black, Research Leader, Professional Practice Office

Providence Health Care
