

Attention

Point-of-Care Nursing & Allied Health Staff

Do you have a **question** from your clinical practice?

Do you want to **learn more** about the research process?

The **RESEARCH CHALLENGE** is for you!

Announcing the 2019

PHC PRACTICE-BASED RESEARCH CHALLENGE

Designed to support point-of-care staff who do not have research experience, the Practice-based Research Challenge will:

- **HELP** you learn about research and conduct your own clinical practice project
- **PROVIDE** information, mentorship, and funding
- **ANSWER** a question you have about your own clinical practice or in an area of interest

Patient- and Family-Centred Care continues to be a focus; all teams will be supported to include patient/family input in their projects.
